2009 Education & Recreation Committee Work Plan

Education

- Assign a committee member to all three elementary schools in the neighborhood. The committee member will be responsible for attending PTA meetings and meeting with school principals and representatives to determine school needs.
- Establish a line of communication between the schools and HCCA so that information on needs and events flow to the community through the newsletter, list serve and meetings.
- Search and acquire mentors for students at the school
- Search and acquire speakers to encourage and speak with the students
- Provide gap funding to the schools
- Provide chaperones for school field trips
- Provide volunteers for chaperoning field trips and reading to students
- Schedule a student performer for every monthly meeting
- Provide yearly scholarship for students

Recreation

- Establish a line of communication between the recreation, senior wellness center and HCCA so that information on needs and events flow to the community through the newsletter, list serve and meetings.
- Provide volunteers for special events
- Provide guidance and feedback on recreation activities
- Provide gap funding for events and third party services
- For recreation activities that cost money, provide scholarships for the children that need it
