The annual dues payable to the association by members shall be set annually by the Board of Directors and approved by the membership in a monthly meeting following announcement of the new dues amount.

SECTION 5. NUMBER OF MEMBERS

There is no limit on the number of members the association may admit.

SECTION 6. MEMBERSHIP RECORD

The association shall keep a membership record containing the name and address of each member. Termination of the membership of any member shall be recorded together with the date of termination of such membership. Such records shall be kept at the association's principal office.

SECTION 7. NONLIABILITY OF MEMBERS

A member of this association is not, as such, personally liable for the debts, liabilities, or obligations of the association.

SECTION 8. NONTRANSFERABILITY OF MEMBERSHIPS

No member may transfer a membership or any right arising therefrom. All rights of membership cease upon the member's death.

SECTION 9. TERMINATION OF MEMBERSHIP

The membership of a member shall terminate upon the occurrence of any of the following events:

- (1) A member shall decide to terminate his/her membership and delivers a written notice to the President or Secretary. Such termination shall be effective upon the date of delivery of the notice or deposit of the notice in the mail.
- (2) The association shall act in January of each year to terminate members for failure to pay dues by December 31 of the prior year. The Membership Committee shall present to the Board of directors a list of all members who have failed to pay dues for the prior year. The Board shall vote to recommend termination off all on that list. Such recommendation shall be presented to the membership for full action at the February meeting.
- (3) After providing the member with reasonable written notice and an opportunity to be heard either orally or in writing, upon a determination by the Board of Directors that the member has engaged in conduct materially and seriously prejudicial to the interests or purposes of the association. Any person expelled from the association shall receive a refund of dues already paid for the current dues period.

All rights of a member in the association shall cease on termination of membership as herein provided.

ARTICLE 12 **MEETINGS OF MEMBERS**

SECTION 1. PLACE OF MEETINGS

Meetings of members shall be held at the principal office of the association or at such other place or places as may be designated from time to time by resolution of the board of Directors.

SECTION 2. REGULAR MEETINGS

A regular meeting of members shall be held on the first Saturday of each month at 10:00 A.M. for the purpose of electing directors and transacting other business as may come before the meeting. The candidates receiving the highest number of votes up to a number of directors to be

elected shall be elected. Each voting member shall cast one vote, with voting being by ballot only. The annual meeting of members for the purpose of electing directors shall be deemed a regular meeting.

If the day fixed for a regular meeting falls on a legal holiday, such meeting shall be held at the same hour and place of the next Saturday.

SECTION 3. SPECIAL MEETINGS OF MEMBERS

Special meetings of the members shall be called by the board of Directors, or the President of the Association, or, if different, by the persons specifically authorized under the laws of this state to call special meetings of the members.

SECTION 4. NOTICE OF MEETING

Unless otherwise provided by the Articles of Incorporation, these Bylaws, or provisions of law, notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the President, or the Secretary, or the persons calling the meeting, to each member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at his or her address as it appears on the records of the association, with postage prepaid. Personal notification includes notification by telephone or by facsimile machine, provided however, in the case of facsimile notification, the member to be contacted shall acknowledge personal receipt of the facsimile notice by a return message or telephone call within twenty-four hours of the first facsimile transmission.

The notice of any meeting or members at which directors are to be elected shall also state the names of all those who are nominees or candidates for election to the board at the time notice is given.

Whenever any notice of a meeting is required to be given to any member of this association under provisions of the Articles of Incorporation, these Bylaws, or the law of this state, a waiver of notice in writing signed by the member, whether before or after the time of the meeting, shall be equivalent to the giving of such notice.

SECTION 5. QUORUM FOR MEETINGS

A quorum shall consist of 10% of the current paid membership of the association.

Except as otherwise provided under the Articles of Incorporation, these Bylaws, or provisions of law, no business shall be considered by the members of any meeting at which the required quorum is not present, and the only motion which the chair shall entertain at such meeting is a motion to adjourn.

SECTION 6. MAJORITY ACTION AS MEMBERSHIP ACTION

Every act or decision done or made by a majority of voting members present in person or by proxy at a duly held meeting at which a quorum is present is the act of the members, unless the Articles of Incorporation, these Bylaws, or provisions of law require a greater number.

SECTION 7. VOTING RIGHTS

Each member is entitled to one vote on each matter submitted to a vote by the members. Voting at duly held meetings shall be by voice vote. Election of Directors, however, shall be by written ballot.

SECTION 8. ACTION BY WRITTEN BALLOT

Except as otherwise provided under the Articles of Incorporation, these Bylaws, or provisions of law, any action which may be taken at any regular or special meeting of members may be taken without a meeting if the association distributes a written ballot to each member entitled to vote on the matter. The ballot shall:

1. set forth the proposed action;
2. provide an opportunity to specify approval or disapproval of each proposal;
3. indicate the number of responses needed to meet the quorum requirement and, except for ballots soliciting votes for the election of directors, state the percentage of approvals necessary to pass the measure submitted; and
4. specify the date by which the ballot must be received by the association in order to be counted. The date set shall afford members a reasonable time within which to return the ballots to the association.

Ballots shall be mailed or delivered in the manner required for giving notice of membership meetings as specified in these Bylaws.

Approval of action by written ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Directors may be elected by written ballot. Such ballots for the election of directors shall list the persons nominated at the time the ballots are mailed or delivered.

SECTION 9. CONDUCT OF MEETINGS

Meetings of members shall be presided over by the President of the association or, in his or her absence, by the Vice President of the association next in rank or, in the absence of all of these persons, by a Chairperson chosen by a majority of the voting members, present at the

meeting. The Secretary of the association shall act as Secretary of all meetings of members, provided that, in his or her absence, the presiding officer shall appoint another person to act as Secretary of the Meeting.

Meetings shall be governed by Roberts Rule of Order, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with the Articles of Incorporation, these Bylaws, or with provisions of law.
