DDOT Speaker to Give Update on 11th Street Bridges

The HCCA will welcomes speaker from the D.C. Department of Transportation at the next meeting July 11. The person will update the membership on the 11th Street bridges replacement project. HCCA is on record as a supporter of the updates to the bridges. And the Council of the District of Columbia in April had approved the bond authority financing for the project. Mayor Adrian Fenty recently announced the selection of a contractor to design and build the bridges.

Message from the President

Dear Neighbors,

I remember a couple of months ago I was writing about the glories of spring. All we had to do was make it through the April showers and we here in Hillcrest could begin to enjoy the wonderful gardens full of May flowers. Well, we've endured April showers, May thunderstorms, and June downpours. We run outside on those rare sunny days and mow the grass, only to have it rain again and again. Our grass is green and lush, our flowers are drowning, and weeds are spouting up everywhere.

Even with all this rain, we managed on one of the few sunny days in June to squeeze in our Annual Garden Tour. More than 100 people turned out to enjoy the tour and reception. I want to take a minute to thank the Garden Tour Committee for all their hard work.

I was just watching the news and the extended weather forecast calls for humid days with sunny skies. I don't know about you but I'm looking forward to the sun; you can keep the humidity. As we move into July and the celebration of Independence Day, I want to wish all my neighbors, health, sunshine, and slower growing grass.

Remember our July meeting will be held Saturday, July 11, instead of Saturday, July 4. Also mark your calendars for Tuesday, Aug. 4 for our celebration of "National Night Out" against crime. This year, we will hold our celebration at the Church of the Holy Comforter, Alabama and Branch Avenues, SE. See you soon.

President

Hillcrest Neighborhood Block Parties

In celebration of the HCCA's 20th anniversary, and in an attempt to help neighbors become friends, the HCCA board is urging all neighborhood block captains to consider having a block party for this summer season. A block party is an easy way for neighbors to get to know one another and to increase community awareness. It is a way to meet new neighbors, or to say hello to the ones you never met before. The board is also asking if each neighborhood that's hosting a party, to let the other neighborhoods know as well. It will give us all opportunities to meet one another. Feel free to send an e-mail through the list serv, hillcrestdc@yahoo.com, or feel free to send to the Communications chair, and newsletter editor, Michelle Phipps-Evans, at hillcrestdc_newsletter@yahoo.com. She will gladly inform other neighbors of your event.

16th Annual Hillcrest Garden Tour

About 100 people attended Hillcrest's 16th annual garden tour on June 6. They enjoyed the hospitality of 12 homeowners.
