### *President's Message*

This month I would like to take this opportunity to comment on a wide variety of topics in no particular order.

- On July 17<sup>th</sup> the Board of Directors participated in a retreat hosted by Marvin Bower at his beach home in Eagle Harbor which was masterfully facilitated, on a volunteer basis, by Connie Spinner, a professional facilitator, who lives in the community. The retreat was designed to initiate and support transition planning for HCCA as it moves to celebrate its fifteenth year anniversary and prepare for the next fifteen years. During the retreat we focused on the: 1) history of HCCA, 2) current state of HCCA and 3) strategies and next steps for the coming years. The information generated during the July 3<sup>rd</sup> HCCA meeting was incorporated in the discussion at the retreat. A briefing on the outcome of the retreat will be prepared and presented in the near future.
- Regarding the filling of vacant positions, I am very pleased to report that Monica Holman Evans, an attorney, has volunteered to serve on the Legislative Committee. We are still in need of a Recording Secretary, Corresponding Secretary, and a Chairperson for the Legislative Committee. Please contact me or one of the HCCA Board members if you are interested in serving or being a committee member. We are sincerely interested in getting more persons involved in the activities of HCCA.
- In recent weeks, the level of litter and illegal postings has been on the increase within our community. A litter and poster free community has a lot to do with the way persons perceive our community. Persons interested in illegal activities will normally avoid communities that exhibit a high degree of community pride. Consequently, everyone is encouraged to do their part in maintaining a litter and poster free community.
- The fifteenth anniversary of HCCA is being planned for Saturday, September 18<sup>th</sup> and will be held at the Washington Navy Yard in the new Catering and Conference Building. Tickets are now on sale for \$35 per person and can be obtained from Mark Johnson, Event Chairman, or from members of his planning committee. Tickets can also be obtained from HCCA Board Members. Mark this event on your calendar.
- Persons walking pets are encouraged to scoop the poop and not allow your pets to use homeowners lawns as bathrooms.

Sincerely, Vincent M. Spaulding, President, HCCA

### **Community Input Needed for New Recreation Center**

The brand new Hillcrest Recreation Center is scheduled to open on October 1, 2004. The HCCA recreation committee recently met with program directors of D.C.'s Dept of Parks and Recreation to discuss programs for the new center.
